

Charging and Remissions Policy

Valid from: October 2021

Next review due: October 2022

The Governing Body of the Wharf Nursery School has drawn up this policy to clarify for all stakeholders what services it can and does charge for and which must be or are free to the user.

The overarching principle is that services should be provided equitably and transparently to all users and that no child or family is precluded from accessing services by an inability to pay.

The policy is reviewed annually and changes will take effect on 1st September.

1. Charging for services

a. Nursery School

Early year's education and childcare

The Wharf Nursery School cannot charge for education provided in the nursery from the term after a child's third birthday, under the terms of the Early Years Free Entitlement of 15 hours per week.

The nursery provides a number of 30-hour places (weekly, term time, where parents have successfully claimed the additional 15 hours (as working parents) or who wish to pay for an additional 15 hours). In line with our Admissions Policy, this is subject to availability and is at the Head teacher's (HT) discretion.

Additional hours provided outside the 15 (or +15) hours are charged at a rate of **£6** per hour.

Extra chargeable hours (Lunch or after school clubs) are not an entitlement and are subject to availability, the needs of the child and are at the HT's discretion.

School meals are charged at the normal rate of **£2.45** (unless eligible for free school meals).

Nursery places offered to children who are 'rising threes' (i.e. in the term before they are eligible for the free 15 hours), are charged at **£6** per hour unless they claim FEET funding.

The cost to families whose children attend the two year olds' group is **£7.75** per hour, unless eligible for FEET funding.

Enrichment activities

As far as possible, the Nursery pays for extra in-school activities, such as cooking, from the School Fund or through fund raising. Any parental contributions to these costs are purely voluntary and no child is excluded or discriminated against because of an inability or failure to pay.

Outings

Costs for school trips are kept as low as possible, whilst maintaining standards of safety and quality.

A proportion of the cost may be provided by the School Fund, or through fund raising.

Parents are asked for a voluntary contribution to cover some or all of the costs of their child (and themselves if applicable) taking part. No child will be excluded if their parent does not contribute and all children are treated equally.

If insufficient funding is received the school reserves the right to cancel the trip.

Community activities

The school normally requests a small voluntary donation towards its Community groups and activities, but families who cannot or choose not to contribute are treated in the same way as those who do.

Where resources have been purchased to support specific activities or courses, the school will normally expect users to contribute. Where these activities or courses have been bought in from outside organisations the school may ask parents to pay if they wish to take part.

2. Charging for Lettings

The Wharf Nursery School will only make lettings to groups and organisations that are compatible with its ethos.

The needs of the Wharf and the community it serves take priority over the requirements of other users.

The governing body has the right to refuse any request for hiring. The Wharf is committed to safeguarding and promoting the welfare of children and expects hirers and their representatives to share this commitment and to have appropriate levels of Disclosure i.e. DBS checks for the individuals working on the school premises.

Lettings will be administered in compliance with Section M (Community Use of Schools) of Surrey County Council Finance Manual.

- Lettings to school groups, such as the PTA, will be free of charge

The school will provide accommodation free of charge (subject to availability) to organisations delivering activities and services agreed by the Nursery, or in support of families who attend School e.g.

- Surrey Children's Services; Health; Speech and Language; Portage; Surrey Early Support service; Early Help Networks

The school reserves the right to charge for refreshments and consumables such as photocopying.

The school will make a charge for lettings to other users at the Wharf site

- Surrey Early Years and Childcare Service and other Surrey County Council departments (not involving Wharf families) may be charged an administration fee of £10 per session within school hours.
- Children's social care supervised contact visits arranged by Surrey Children's Services or other local authority children's services may be charged an agreed fixed charge of **£10** per session during school opening hours. Surrey requests will be given priority.
- Other lettings must be subject to Governor approval and will be considered on a case by case basis

Any organisation that is not charged for use of the premises must have public liability insurance of at least £5 million.

If not then the Wharf will take out public liability cover on the hirer's behalf, charging a percentage of the letting fee via the letting form and submitting the details through the memorandum account.
