Introduction

This model publication scheme has been prepared and approved by the Information Commissioner. It may be adopted without modification by any public authority without further approval and will be valid until further notice. It can be found online at ico.org.uk/media/for-organisations/documents/1153/model-publication-scheme.pdf

This publication scheme commits an authority to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the authority. Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

The scheme commits an authority:

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the authority and falls within the classifications below.
- To specify the information which is held by the authority and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public: *our Guide to Information*.
- To review and update on a regular basis the information the authority makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.
- To make this publication scheme available to the public.
- To publish any dataset held by the authority that has been requested, and any updated versions it holds, unless the authority is satisfied that it is not appropriate to do so; to publish the dataset, where reasonably practicable, in an electronic form that is capable of re-use; and, if any information in the dataset is a relevant copyright work and the public authority is the only owner, to make the information available for re-use under the terms of the Re-use of Public Sector Information Regulations 2015, if they apply, and otherwise under the terms of the Freedom of Information Act section 19.

The term 'dataset' is defined in section 11(5) of the Freedom of Information Act. The term 'relevant copyright work' is defined in section 19(8) of that Act.

The method by which information published under this scheme will be made available

The authority will indicate clearly to the public what information is covered by this scheme and how it can be obtained.

Where it is within the capability of a public authority, information will be provided on a website. Where it is impracticable to make information available on a website or when an individual does not wish to access the information by the website, a public authority will indicate how information can be obtained by other means and provide it by those means.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

Information will be provided in the language in which it is held or in such other language that is legally required. Where an authority is legally required to translate any information, it will do so.

Obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information in accordance with this scheme.

Charges which may be made for information published under this scheme

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the authority for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on a website will be provided free of charge.

Charges may be made for information subject to a charging regime specified by Parliament.

Charges may be made for actual disbursements incurred such as:

- photocopying
- postage and packaging
- the costs directly incurred as a result of viewing information

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public.

Charges may also be made for making datasets (or parts of datasets) that are relevant copyright works available for re-use. These charges will be in accordance with the terms of the Re-use of Public Sector Information Regulations 2015, where they apply, or with regulations made under section 11B of the Freedom of Information Act, or with other statutory powers of the public authority.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.

Written requests

Information held by a public authority that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act. You have the right to complain to us if your request for information is:

- refused
- partially refused, or
- you did not receive all of the information requested

We will where possible try to resolve your concerns informally:

- explaining in more detail the grounds for refusal to disclose the information you requested
- clarifying the exemption(s) we used

If we are unable to resolve your complaint informally, we will notify you of your right to begin the internal review process.

If you ask us for an internal review, we will treat this as a formal complaint subject to the internal review procedure.

Following an internal review there are a number of possible outcomes:

- our original decision is upheld
- our original decision is reversed in part or in full
- our original decision is modified

A request for an internal review should be submitted to us in writing within 40 working days from receipt of our response. There is no statutory deadline for undertaking internal reviews but the ICO states that internal reviews should take no longer than 20 working days. If it isn't possible to reach a decision in that time, we will let you know. We will also give you the anticipated timescale for our response.

All correspondence in relation to your request should be sent to:

Guide to Information

This is The Wharf Nursery School's guide to information available under the Freedom of Information Act 2000. This Guide to Information conforms to the guide for schools approved by the Information Commissioner from 1st September 2013.

The Governing Body is responsible for maintenance of this scheme.

1. Introduction: what a Guide to Information is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the format in which the information will be made available. To do this we produce a Guide to Information available under our Publication scheme, setting out:

- the classes of information which we publish or intend to publish;
- the format in which the information will be made available and
- whether the information is available free of charge or on payment.

The guide covers information already published and information that is to be published in the future. All information in our guide is available in paper form obtainable from the school. Some information, which we hold, may not be made public, for example personal information.

As required, we have made no changes to the classes of information in the Guide to Information for schools as recommended by the Information Commissioner and therefore specify where our school does not hold, or no longer publishes, the information detailed.

2. How to request information

If you require a paper copy of any of the documents within the scheme, or wish to view information in school, please contact us:

T: 01483 415220

E: office@wharf.surrey.sch.uk

A: The Wharf Nursery School, Woosack Way, Godalming, Surrey, GU7 1JG

To help us process your request quickly, please clearly mark any correspondence:

"FREEDOM OF INFORMATION REQUEST" (in CAPITALS please)

If the information you're looking for is not available via the publication scheme or on our website you can still contact the school and we will tell you whether or not we have it.

3. Paying for information

Information published on our website is free, although you may incur costs from your Internet Service Provider. If you do not have Internet access, you can access our website using a local library or an Internet café. Information may generally be viewed at school free of charge. Information which involves considerable time in collation may incur a proportionate cost. Any copies taken away will be charged at 15p per sheet, unless marked with a *. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.
